

Georgia Council on Economic Education – www.gcee.org

GCEE offers educational training and resources for Georgia teachers.

Our Vision

Students leaving school prepared for their economic roles as workers, consumers and citizens.

Our Mission

To help teachers teach those students in the public and independent schools of Georgia.

Where Georgia economics teachers come first

We're working hard to be the resource of choice for K-12 social studies and economics teachers across the Peach State. Visit their website to review programs, register for workshops, order teaching materials and talk to other teachers through the message board.
