Ms. Leaf joined the Governor's Office of Consumer Affairs as the Consumers' Utility Counsel for the State of Georgia in 2006. This Agency is statutorily charged with representing residential ratepayers and small businesses in all matters that come before the Georgia Public Service Commission, Federal Agencies and the courts.

Ms. Leaf's background includes regulatory work representing the Staff and Commissioners of the Oklahoma Corporation Commission in the areas of electricity, natural gas, water and telecommunications law. Ms. Leaf has represented her clients at the State, Regional and Federal levels, including before the Oklahoma Corporation and Federal Energy Regulatory Commissions as well as participating on behalf of her clients at meetings with both the Midwest RTO and Southwest Power Pool; both of which are FERC recognized Regional Transmission Organizations.

Ms. Leaf has a Bachelor of Science degree from Texas A&M University and received her *Juris* Doctor from Oklahoma City University. Ms. Leaf is a former Board of Director for the Midwest Chapter of the Energy Bar Association and has participated on the Midwest Chapter's Annual Meeting Committee for several years.
